- TO DO: Register for virtual CHPMUNC (Chapel Hill Public Model United Nations Conference)
- Launching the LAUNCH program in Chicago

Register for CHPMUNC, a virtual educational conference for high schoolers!

moMUNtum is proud to support the students of the Chapel Hill High School Model UN team who have been working tirelessly over the last year to put together the Chapel Hill Public MUN Conference!

CHPMUNC is an educationally-focused, virtual conference that will be held on January 15-16, 2022.

Registration is closing soon! CHPMUNC secretariat has worked hard to ensure an accessible, enriching, and meaningful conference for delegates of all experience levels and from any location, so don't miss out on this fantastic opportunity! Please spread the word within your MUN network and register ASAP at chpmunc.org!

LAUNCH program takes off in Chicago!

For the past few months, the students of Global Citizenship Experience Lab School in Chicago have been practicing Model UN skills and learning about the UN Sustainable Development Goals with weekly lessons from two moMUNtum facilitators and resources from MUN Impact. **Without any experience prior to the moMUNtum launch program, GCE Lab School students are now ready to succeed at their first MUN conference this spring!**

Know of a high school that doesn't yet have a Model UN team or could benefit from training sessions, additional resources, or practice simulations? Let us know at momuntum.contact@gmail.com and we'll bring the LAUNCH program to you!

Contact us! Get involved!

As always, you can reach the moMUNtum executive team at moMUNtum.contact@gmail.com.
